

*Participants received the following information via email Monday, Sept 5. If you did not receive this email and cannot find your registration email, you most likely have not registered and will need to do so to attend.*

\*\*\*\*\*

We are excited that you will be part of this year's 4-H Military Partners Virtual Conference, *Moving Forward Together*. We have an incredible cast of speakers and presenters, and we know you'll enjoy this year's offerings.

Here are a few additional details:

- **You will access the conference offerings using the link and access code you received in your confirmation email.** The email is from the 4-H Military Partnership ([noreply@regfox.com](mailto:noreply@regfox.com)) and came to you upon registration. If you have misplaced your information, email us at [4-hcyfarm-pdta@ncsu.edu](mailto:4-hcyfarm-pdta@ncsu.edu) and include your registered name and email. We will send another copy. If it is within 15 minutes of a session, please use the help desk described below.
- **Sessions are available 10 minutes before** (12 noon, 2 p.m., 4 p.m. eastern) the hour. There is a waiting room, and it may be a minute or two before you enter the main room. Please be sure your microphone is muted at entry. We love seeing faces and have provided a zoom background for the conference if that helps you with having your camera on. It is optional and available on the website and in the conference area.
- **Tech check is offered Tuesday, September 6<sup>th</sup>** at 12 noon and 8 p.m. Eastern. Someone will be available to test your settings and answer questions for about 30 minutes. Generally, only a few people can enter the room at a time in tech check, so you may be in the waiting room but will receive a message should you have to wait. Tech check will only take a few minutes once you enter the room.
- **A help desk** is available 30 minutes before and for the first 15 minutes of each session. The help desk is a staffed zoom room that can help you with access should you have challenges or help you find your access code. The desk generally helps one person at a time, and you may wait a few minutes in the waiting room. The help desk is available from the [4-H Military Partnership Website](#), the conference portal, or directly through zoom <https://ncsu.zoom.us/j/8137143453> (Meeting ID: 813 714 3453)
- **Session recordings** will be added to the downloads section of the conference site about 24 hours after the session. The recordings are available through December 31, 2022, and allow you to review any missed sessions. Participants can continue to register for access through that time as well. If you love the content, we encourage you to share registration information rather than your access code so that we can have data from our participants.
- **If you haven't checked out the lineup of presenters**, visit [www.4-HMilitaryPartnership.com](http://www.4-HMilitaryPartnership.com) and learn more about our speakers and the offered sessions.

Please let us know if you have any questions or concerns. We want this to be a great experience for everyone and look forward to seeing you in the sessions.
