

NEW ONLINE COURSE AVAILABLE

# Extension Veteran-Friendly Training

The Florida Cooperative Extension Service is proud to introduce a new professional development opportunity: the Extension Veteran-Friendly Training, Advancing Competency in Serving Veterans

- Free, 5-module online course
- Self-paced
- Certificate of completion available

The curriculum provides an overview of military culture, explores common general and mental health considerations, and offers guidance on navigating the VA system. Participants will also gain valuable insight into the resources available to Veterans and their families, enhancing Extension's capacity to serve Veterans.
