

# Community Resource Finder

**Log in to the Military OneSource Member Connect website to access a vast library of vetted and approved resources.**

## What is the Community Resource Finder (CRF)?

The CRF is an online library with thousands of local, national and worldwide resources that can help military families thrive.

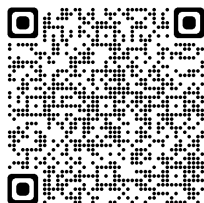

Whether you are looking for equine therapy, children's camps, couples retreats, job resources, counseling programs or other services, the community resource finder may have what you need.

## Who may use the CRF?

If you create a login profile on the Military OneSource website, you may access the CRF, regardless of your login role.

## How can I suggest new CRF resources?

Submit requests for new resources or changes to current ones using our Suggest Resource link on the bottom of the Member Connect home page. (no login required) or changes to current ones?

## Where is the CRF?

The CRF is on the Military OneSource Member Connect website.

- Log in to the Military OneSource website
- Expand the top menu banner
- Select Military OneSource Member Connect
- Use the briefcase icon or CRF spotlight image

## How do I use the CRF?

Use the search field or apply search filters by selecting Advanced Search and drilling down with topics, categories and/or locations. You may also use Search Installations to find resources within 100 miles of a given installation.
